COMPLETE CARE REHAB

MICHIGAN ASSIGNMENT OF NO-FAULT BENEFITS/RIGHTS

I, _____ (“Assignor”), hereby assign to Compete Care Rehab, LLC (“Assignee”) all rights, privileges and remedies to payment for health care services, products or accommodations (“Services”) provided by Assignee to Assignor to which Assignor is entitled under Chapter 31 of the Insurance Code (MCL 500.3101, *et seq.*, the No-Fault Act. This Assignment is for the right to payment of Assignee’s charges, only, and not for the right to payment of any other no-fault insurance benefits.

The assignment as set forth above is for all services provided to Assignor by Assignee prior to or at the time of Assignor’s execution of this agreement. It is not an assignment for benefits payable in the future or after the date of Assignor’s signature.

Assignor hereby certifies that Assignor has incurred charges for services provided by Assignee for which the rights, privileges and remedies for payment are hereby assigned.

As consideration for the assignment hereby granted, Assignor accepts Assignee’s assumption of the burden of pursuit of payment from any person or entity from whom payment for the above-referenced services is or might be owed under Chapter 31 of the Insurance Code (MCL 500.3101, *et seq.*), the No-Fault Act. In further consideration, the Assignee agrees that the Assignor will not be liable for said charges up and through the date this assignment is signed. This assignment is not revocable by Assignor so long as Assignee’s performance as described in this paragraph is underway.

However, in light of the consideration given to the Assignor relinquishing it from any liability for charges up and through the date this assignment is signed, the Assignor hereby certifies that if a determination is made pursuant to judicial or quasi-judicial proceeding, that Assignor lacks Michigan no-fault PIP coverage or that the services subject to this assignment are not payable pursuant to any such coverage for any reason under Chapter 31 of the Insurance Code (MCL 500.3101, *et seq.*), any applicable policy of insurance, and/or due to any actions or conduct of Assignor it will ultimately remain responsible to pay Assignee’s charges for services rendered by Assignee to Assignor.

Assignor and Assignee agree that in the event any term or provision of this agreement are declared invalid or unenforceable by any court or federal or state governmental agency having jurisdiction over the subject matter of this agreement, the remaining terms and provisions that are not affected thereby shall remain in full force and effect.
